## **Forensic Academic Credential & CV Fraud Detection**

Dear Recipient,

The International Forensics & Business Institute Ltd (IFBI) is pleased to provide you with details of our upcoming training program that we believe may be of interest to you, your organization and its personnel. This highly beneficial program is the **One-day Training Workshop/ Seminar in Forensic Academic & CV Fraud Detection**. Details of the training are as follows:

**Course Title:** Forensic Academic Credential & CV Fraud Detection

**Duration & Date:** One (1) Day. Tuesday 12<sup>th</sup> October 2021.

**Time:** 9.00 am to 4.00 pm.

**Delivery:** Online.

**Cost of Program:** TT\$ 2,150.00 per participant.

**Course Outline:** This course provides all the forensic methods, techniques and tools to detect counterfeit and fake academic certificates, fraudulent credentials, fraudulent CV's and institutions. The course also provides training to detect general and administrative counterfeited documents such as job letters, bank statements etc. The training teaches participants to also detect online fraud relating to qualifications. It also provides forensic and legal guidelines in steps to take when dealing with suspected academic fraudulent credentials. There will also be training in forensic counterfeit detection methods & techniques.

***A Forensic Manual of all training materials will be provided to all participants.***

**Course Instructor:**

The main Course Instructor for this IFBI program is court qualified Forensic Expert Professor Glenn Parmassar with over 25 years of experience. Professor Parmassar is widely regarded as T&T and the Caribbean's leading forensic expert in the field of fraud & white collar crime detection, forensic accounting, forensic document examination and forensic counterfeit detection. He is a former Director of the Trinidad & Tobago Forensic Science Centre for the Ministry of National Security. He has received training from a number of international bodies including the United States Secret Service, De La Rue in the UK, RIT, and the Association of Fraud Examiners, USA. Professor Parmassar has worked on over 3000 forensic fraud cases for the state and private organizations, for the Caribbean and International clients, and his reports have been used in a vast array of criminal, civil and industrial court cases. Other forensic specialists may also contribute to the workshop.

**Award: Forensic Certificates will be awarded to all participants.**
